All children under the age of 16 MUST* be registered by a Parent or Guardian at the reception table (by the changing rooms) when they arrive, and remain present during the session.

As long as at least one of them is present at any given session parents/guardians can be confident that their youngsters are as safe as can be reasonably expected. However, it is imperative that each young person is accompanied by their parent/guardian when registering their attendance so that in the unlikely event of an emergency the appropriate person can be contacted and made aware immediately.**
